

SUMMARY OF ORDINANCE NO. 092799

An ordinance relating to the limitation of conditions under which nuisance suit may be brought against agricultural operations and the creation of an agricultural grievance committee.

This ordinance limits the circumstances under which agricultural operations in Breckinridge County may be deemed a nuisance. It defines "agricultural land and agricultural operation". The provisions do not apply to a nuisance resulting from negligent operation of an agricultural operation nor does it affect the right of entities in recovering damages caused by pollution of streams. The ordinance provides for a disclosure statement to be signed by sellers and buyers acknowledging that the property being sold and purchased could be affected by agricultural operations nearby.

The Breckinridge Fiscal Court hereby certifies as to the accuracy of the contents of this summary. Dated this 11th day of October, 1999.
